How it has all Started

The first restaurant was born in 1972 by Antonio's grandfather in a working class area in Naples. The passion for Pizza has been passed down for three generations, from father to son, to finally boast five pizzerie in Naples.

On 2018

"After five years working in different countries, including Italy, Morocco, USA, France and England in order to gain more culinary expertise and thanks to my teacher, my father Raffaele Pellone, I've finally decided to open the first Pizzeria Pellone outside Naples."

Our Mission

Born in the heart of Battersea, "Pizzeria Pellone London" is driven by a passion to bring authentic neapolitan tradition to every corner of the city. After igniting taste buds in East Finchley, we continue our culinary journey in Hammersmith expanding our committment to quality, warmth and true Italian hospitality.

Our mission is simple: share the flavours of Naples with London and beyond, one exceptional Pizza at a Time
